
MINNESOTA IN TERRITORIAL ORGANIZATION

Map	Date	Event
12	10 Aug 1821	The state of Missouri was created from Missouri Territory; Missouri Territory eliminated. All of the former Territory north and west of the present state, including all of present Minnesota west of the Mississippi R., became unorganized federal territory. (<i>Terr. Papers U.S.</i> , 15:742; <i>U.S. Stat.</i> , vol. 3, ch. 22[1820]/pp. 545-548; <i>U.S. Stat.</i> , vol. 3, res. 1[1821]/p. 645)

(Heavy line depicts historical boundary. Base map shows present-day information.)

12 Minnesota in Territorial Organization
10 Aug 1821 – 25 May 1824
