

## NTC 2021-22 Pricing Guide

Registration for NTC seminars opens on **Friday, September 10, 2021 at 8:00am (Central Time)**. We highly recommend reviewing both this document and the **NTC 2021-22 Registration Guide** prior to registration. This year, we will be using Learning Stream for online registration and payments, details of which can be found in the **NTC 2021-22 Registration Guide**.

In order to accommodate various teaching schedules, we are pleased to offer three different seminar options:

1.5-hour Virtual Seminar	1.5 CPDUs	Monday - Thursday, 3:30-5:00pm
3-hour Virtual or In-Person Seminar	3 CPDUs	Monday - Friday, 9:30am-12:30pm
5-hour In-Person Seminar (NTC+)	5 CPDUs	Monday - Friday, 9:30am-3:30pm

**NTC offerings are billed by credit hour. One hour of credit is equal to 1 CPDU.** Rollover credit from 2020-21 will be honored in cash value to be used as a Discount Code at registration checkout (see details below). Please review the **NTC 2021-22 Registration Guide** for discount implementation and registration instructions. Each seminar registration transaction will prompt the registrant to choose which tier of pricing equates to their total purchase.

### Pricing Instructions for Registration

When prompted in the registration form for each seminar, choose the Tier that corresponds to your total purchases of credit hours. For example, if you are purchasing a single 1.5-hour seminar, you would choose Tier 1 at registration. If you are purchasing one 1.5-hour seminar and one 3-hour seminar (a total of 4.5 credit hours), you would choose Tier 2 as you are purchasing more than 3 credits. If you are purchasing seven 3-credit seminars, you would choose Tier 3 as you are purchasing 21 total credits. If, at the end of seminar selections, your chosen Tier does not match the total credits purchased, you can review your purchase in the shopping cart and edit the registration form of each seminar to reflect the correct Tier prior to checkout and payment.
