

The Pargellis Society

BENEFITS

The Newberry Library introduces its new Pargellis Society, a corporate membership group open to companies in a wide range of business interests. The Newberry Library is not only distinguished by the depth and quality of its collections, but also its visionary commitment to the humanities and to the City of Chicago itself. Named for Stanley Pargellis, the fifth Newberry President and Librarian, the Society affirms his belief that corporations can and should play a vital role in civic life. Your corporate gift will enhance the cultural life of the city by allowing the Newberry to maintain its high standards of excellence, to continue as one of the world's leading research libraries, and to provide an ongoing service to Chicago.
