How to Use Our Collection

At the Newberry, an independent research library, readers do not borrow books to take home, but consult rare books, manuscripts, and other materials here. We welcome researchers who are at least 14 years old or in the ninth grade. Visit <https://requests.newberry.org> to create a reader account and start exploring our collection. When you arrive at the Newberry for research, a free reader card will be issued to you in the Welcome Center on the first floor. Find further information about our collection and public programs at www.newberry.org. Questions? Contact the reference desk at (312) 255-3506 or reference@newberry.org.
