Ann M. Beha and Steven G. Gerrard

Tuesday, November 13, 2018

6:00 to 7:00 pm

The Newberry

60 West Walton Street, Chicago

Architects **Ann M. Beha** and **Steven G. Gerrard** will present work that renews—and challenges—historic settings, in support of new programs and identity. They will explore the recent Newberry Library renovation—its purpose, principles, and design expression—to probe the issues of change and continuity for landmark buildings.

“Conversations at the Newberry” is generously sponsored by Sue and Melvin Gray.
