

Photography & Photojournalism in the Newberry Collection

How to Use Our Collection

The Newberry is an independent research library; readers do not check books out to take home, but consult materials—mostly rare books, manuscripts, maps, and other materials with a focus on the humanities—here at the library. We welcome into our reading rooms researchers who are at least 14 years old or in the ninth grade. Creating a free reader account and requesting collection items takes just a few minutes. Begin the registration process at <https://requests.newberry.org> and start exploring our collection; when you arrive at the Newberry for research, a free reader card will be issued to you in our third-floor reference center. Please contact the reference desk at (312) 255-3506 or reference@newberry.org with questions on our holdings.
