In this installment of “Conversations at the Newberry,” Brad S. Gregory, author of the new book *Rebel in the Ranks: Martin Luther, the Reformation, and the Conflicts That Continue to Shape Our World*, and Mark Noll, author of *Turning Points: Decisive Moments in the History of Christianity*, engage in a conversation about the Protestant Reformation of the sixteenth century and its continued impact on today's world.

*“Conversations at the Newberry” is generously sponsored by Sue and Melvin Gray.*

*Religious Change, 1450-1700* is a year-long, multidisciplinary project exploring how religion and print challenged authority, upended society, and made the medieval world modern.
